

Dear Client,

Thank you for choosing the TruCUT CO₂ Laser Cutting and Engraving Machine from Advanced Machinery. The TruCUT CO₂ Laser Machine is manufactured in our adjunctive factory in Weihai, China, and we import, sales and service in the South African market.

The TruCUT CO₂ Laser Machine is currently the ONLY China Made CO₂ Laser Machine that obtained a Health License from the Department of Health of South Africa.

The following pages from 2 to 4 is the Health License for the TruCUT CO₂ Laser Machine itself. Page 5 and 6 are for you to apply a usage license if your premises require you to have a license for your workplace and/or your operator.

Thanks again for choosing the quality Laser Machines with the best service in the country from Advanced Machinery. For more information about our laser machines, please visit <http://am.co.za/laser>

Kind Regards,

Eric Yin
